- 1. Print page 2 of this PDF document. Make as many copies as needed and cut pages in half along dotted line.
- 2. Distribute one Acts of Kindness Challenge Card to each of your students.
- **3. Instruct** your students to sign their names and date on the card.
- 4. Announce to students that they must try to complete as many Acts of Kindness listed on their Challenge Card. Give them a completion date when the cards will be collected.

They must get the person they were kind to sign off on their card. It can NOT be the same person and must be different person each time.
